

Useful Recycling Links

Computers and Electronics

(SERI) Look here for R2 certified recycling sites: www.sustainableelectronics.org

Cell Phone Refurbishing

National Coalition Against Domestic Violence: www.ncadv.org

Accepted Items:

- Any cell phone in any condition and their accessories (most wanted items include iPhones, Samsung, and HTC)
- Laptops
- MP3 Players
- Digital Cameras
- Video Game Systems

Foam Packing Peanuts

Reuse them yourself first. Your local pack-and-ship store might accept for reuse. Or call 1-800-828-2214 for drop-off sites near you.

Ink/Toner Cartridges

Return them to the store where you purchased them for refund when you buy new ones.

Used Motor Oil

Many places take this to be recycled. Go to www.recycleoil.org. Enter your zip code.

Nike Shoes

Nike's Reuse-a-Shoe program grinds up old Nikes to use for playground and track & field surfaces. The nearest drop-off is at The Crossings in Tannersville.

Batteries

Visit "Environment, Health, and Safety" online at www.ehso.com.

Better World Books

Buy, sell, and donate used books. This is also a great fundraiser program. www.betterworldbooks.com

Think Recycle

Sell and donate old cell phones, laptops, ink toners, and ink cartridges. This is also a great fundraiser program. www.thinkrecycle.com

Earth 911

General website on where to recycle various items. Click on "Recycle Search" as well as on "Recycle Guides" for information on all manner of items that can be recycled. www.earth911.com
