This policy affords every individual an equal opportunity to set educational goals that are attainable and challenging for him or her. Lackawanna College encourages students to concentrate on career goals in the pursuit of their college education. Admissions advisors are available to assist individuals of every age and academic background with admission to courses and programs suitable to their interests and aptitudes. Transcripts and other documents submitted will become the property of Lackawanna College and cannot be returned to the applicant. Admission standards and policies prohibit discrimination on the grounds of race, creed, color, religion, national origin, disability, age, or sex. Physical and/or instructional limitations of the College may compel restricted admission in certain curricula.
