

CORE MANUFACTURING SKILLS CERTIFICATE PROGRAM

FREE 200-HOUR PROGRAM

includes in-person and remote instruction with manufacturing partners

Program begins August 17, 2020 with courses online and in Towanda!

Earn nationally-recognized credentials and prepare for a rewarding manufacturing career!
Employment opportunities exist after graduation in areas including:

Maintenance
Manufacturing
Production
Quality Assurance
Safety Compliance

This Project was financed in part by a grant from the Commonwealth of Pennsylvania, Department of Community and Economic Development and is funded by Gov. Tom Wolf's Manufacturing PA Initiative to help build higher paying careers in the manufacturing industry, with additional support from NEPIRC, the Workforce Development Board of Lackawanna County, and the Northern Tier Regional Planning and Development Commission.
