Administrative Support Technician

Qualifications: Student must have high school diploma or GED

Curriculum

This 14 week certificate program is designed to give the student a general understanding and knowledge of office procedures that will prepare them for re-entering the workforce in a variety of administrative office positions. Each student will receive instruction on Microsoft Office Word, Excel and Outlook applications, Principles of Accounting 1, Computerized Accounting (QuickBooks), Business Communications and Employment Readiness skills.

Each student will prepare and sit for Microsoft Office Specialist (MOS) certifications in Word and Excel, which focus on demonstrating skills using 2016 Microsoft Office and the Windows operating systems. Candidates who pass the certification exam show that they can meet globally recognized performance standards.
