

MOS with Accelerated Bookkeeping Certification Program

Qualifications: Students must have High School Diplomas or GED

Curriculum

This 6-month certification program is designed to give the student a strong knowledge of Microsoft Office including Word, Excel, Access, Power Point, and Outlook. In addition, each student will receive instruction in Business Communications, Accounting 1, Accounting 2, QuickBooks with Certification and Customer Service Skills. Microsoft Office Specialist (MOS) certifications focus on demonstrating skills in using 2016 Microsoft Office System and the Windows operating system, which are very much in demand. Candidates who pass a certification exam show that they can meet globally recognized performance standards.

Becoming proficient in Microsoft Office products and QuickBooks is an in-demand skill that will make you more marketable and valuable to future employers. Employment that can be obtained once certified can include: Administrative Assistant, Office Administrator and Data Entry Associates, just to name a few.
